

Water Is Your Business!

Water Pressure. Meeting all the regulations and standards. Setting rates. City councils and rural water district boards and their staff members have a lot to consider. Attend this KanCap training session to help make the right decisions about complex managerial, technical and financial aspects of running a high quality water utility. Yes, it takes time to keep up on laws and rules, but as a board/council member, you're personally responsible.

The Kansas Rural Water Association

presents:

Special Session for Cities/RWDs

KanCap Board/Council Training: Improving Management of Today's Water Systems

Tuesday, February 28, 2012

**Community Room / City Hall
Concordia, KS**

Wednesday, February 29, 2012

**City Hall
Marysville, KS**

Board/Council Training Notice:

The Kansas Rural Water Association is pleased to sponsor the popular KanCap Board/Council training in Concordia on Tuesday, February 28 in the Community Room of City Hall and at Marysville on Wednesday, February 29 at City Hall. Each session begins at 8 a.m. and will conclude by 5 p.m.

Like any business, there are risks and options, but is your board/council keeping them in mind? This training provides board/council and staff members with consistent information about the Safe Drinking Water Act's capacity development requirements and about state regs. KanCap is divided into three sections: managerial, technical and financial. The training includes many examples and case histories. Participants take home a 3-ring notebook and an accompanying, interactive CD with fifty-two brief videos of municipal and rural water district personnel discussing topics such as employee evaluations, Open Meetings and Open Records laws, funding options, etc. The CD links to more than 200 additional resources with detailed information in pdf format. KRWA will be providing complimentary lunch.

DATES & LOCATIONS:

Tuesday, February 28, 2012

**Community Room / City Hall
701 Washington St., Concordia, KS**

Directions: From Hwy. 81, turn west on 7th St.; go two blocks to Washington St. City Hall is north of intersection of 7th & Washington.

Wednesday, February 29, 2012

**City Hall, 209 North 8th Street
Marysville, KS**

Directions: From Hwy 36, take 8th Street north one block to City Hall. Training will be in the Meeting Room.

CERTIFICATION CREDIT:

Five hours of credit towards operator certification or renewal for water operators when fifty percent or more of the board or council attend.

SCHEDULE & TOPICS:

■ Introduction and welcome

KanCap topics include a broad discussion of technical, managerial and financial aspects such as:

■ Tips for better board/council overview

■ Who requires what and what happens if your board/council doesn't comply?

■ Reducing risk and liability with written plans, assessments, audits, insurances, regular reviews and more

■ Your regular board/council meeting: Gateway to good governance

■ Communications: Over-rated or essential?

■ Financial options from federal loans and grants to rate reviews

■ Preparing and understanding financial statements

■ Ever-changing technology: Frill or foundation?

PRESENTERS:

Rita Clary, Kansas Rural Water Association, Troy, KS
