RE: Operator-In-Training

Dear Peggy;

Despite numerous attempts, I have been unable to make contact with you. I have attempted to make contact with you by telephone; in addition I have been unable to make contact with you in person at your place of work in Walnut.

It would be a great help if you would make contact with me via my cell phone. The number is 620-762-6266. I am available any time of the day as I carry my phone with me at all times. Your immediate attention in this matter would be greatly appreciated.

Sincerely,

Eric Davolt  
Technical Assistant
