RE: Appropriation of Water
File No. 46,245

Dear Darrell:

Thank you for calling me last week and asking me to assist you and Rural Water District No. 2, Ottawa County, again.

Enclosed is a customized form letter that I have provided to other water systems to use get written permission from domestic water right owners to allow spacing requirements to be relaxed. While the District's circumstances are different, I think this form letter, when signed, will allow the diversion works to be completed as originally proposed, approved and listed on the permit.

Let me know if you would like me to draft the request to the Division of Water Resources to rescind the Findings and Order dated February 26, 2009, once you obtain the necessary signatures from the nearby domestic water right owners.

You can reach me by telephone at 785/640-4701, by e-mail at dhelmke@krwa.net or by writing to 6847 SE 29th Street, Tecumseh, Kansas 66542-9571.

Sincerely,
