Clinton Waggoner  
Mayor, City of White Cloud  
209 Main St.  
White Cloud, KS 66085

Dear Clinton;

This is a follow up letter to our meeting on Thursday, June 25, 2009. I want to thank you for allowing me to introduce myself and taking the time to familiarize me with the of City of White Cloud's water system.

With the present stimulus programs available for small systems like the City of White Cloud, I am sure something will be done to help your present situation. There are options and with the help of the city council, B&G Consultants, USDA Rural Development and KRWA, the City of White Cloud will be able to improve their water system with the appropriate funding.

I look forward to hearing about new developments for City of White Cloud. I plan to attend the council meeting on July 13. Please feel free to contact me directly on my cell phone at 785-850-0192 or KRWA at 785-336-3760 if we can be of further assistance. Also, visit the KRWA website [www.krwa.net](http://www.krwa.net) for news and information concerning water and wastewater utilities, training opportunities and other KRWA programs.

Sincerely,

Rita Clary  
Technical Assistant

C: Gary Smith, USDA Rural Development
