Lenora, KS 67645

RE: Water main replacement

Dear Gayle;

This letter is in follow-up to my recent visit to the City of Lenora and our meeting concerning the city's water line improvement project.

Thank you for taking the time to meet with me on Wednesday, July 22, 2009. I will do what I can to assist in helping the city find funding for the water main replacement project. Should the council decide there are other improvements to be added, please let me know.

Please feel free to contact the Kansas Rural Water Association or me if we can be of other assistance. Also, visit the KRWA website www.krwa.net for news and information concerning water and wastewater utilities, training opportunities and other KRWA programs.

Again, thank you for the opportunity to meet with you and I look forward to working with the City of Oberlin.

Respectfully,

Rita Clary
Technical Assistant
