Re: Kansas Public Water Supply Loan Fund

Dear Lynne;

This letter is a follow up to my recent visits to the City of Hiawatha to assist with the Kansas Public Water Supply Loan Fund application. On behalf of Kansas Rural Water Association, I appreciate the opportunity to assist you.

The application concerns the City of Hiawatha's possible Water Treatment Plant project. I enjoyed working with you and Jim Martin of PEC Engineering, Wichita, to complete the application. The application was completed and submitted to KDHE in a timely manner.

The city may also be interested in attending the upcoming annual conference at Century II Convention Center in Wichita, March 30 – April 1. Agencies will be present to discuss projects and funding at length. Please feel free to contact Kansas Rural Water Association or me if we can be of other assistance. Also, visit the KRWA website [www.krwa.net](http://www.krwa.net) for news and information concerning water and wastewater utilities, training opportunities and other KRWA programs.

Again, thanks for opportunity to assist you.

Respectfully,

Rita Clary  
Technical Assistant

C: Crosby Gernon, Mayor
