Clint Waggoner  
Mayor, City of White Cloud  
209 Main St.  
White Cloud, KS 66094

Re: City of White Cloud

Dear Mayor Waggoner;

This letter is a follow up to my attending the City of White Cloud council meeting February 1, to discuss issues at and about the City of White Cloud. On behalf of Kansas Rural Water Association and USDA Rural Development, I appreciate the opportunity to meet with all of you.

The first area we discussed was the City of White Cloud joining the Kansas Mutual Aid Program. I provided you with the necessary information, program overview and the website needed to join this organization, should the city decided to do so. This program could be beneficial to the city.

We also discussed the city's water distribution system and the improvements that need to be made. As per my phone conversation today with Donna Crawford, Government Assistance Program of Lawrence, she is still available to assist the city with any type of grant writing for a water project at no additional charge. With the land purchase now complete, the city needs to decide what type of water system improvements need to be made. I look forward to attending the next council meeting on March 1.

The city may also be interested in attending the upcoming annual conference at Century II Convention Center in Wichita, March 30 – April 1. Agencies will be present to discuss projects and funding at length. Please feel free to contact Kansas Rural Water Association or me if we can be of other assistance. Also, visit the KRWA website [www.krwa.net](http://www.krwa.net) for news and information concerning water and wastewater utilities, training opportunities and other KRWA programs.

Again, thanks for opportunity to meet with all of you.

Respectfully,

Rita Clary  
Technical Assistant

C: Donna Crawford, Government Assistance Program  
Dan Fischer, USDA Rural Development
