RE: City of Seneca
Source Water Protection Plan

Dear Matt:

Enclosed is a copy of the Statement of Adoption from the City of Seneca stating that the City Council adopted a Source Water Protection Plan on February 17, 2010.

The City of Seneca is to be commended for voluntarily making an effort to protect the water quality of the aquifer from which they obtain their drinking water. The patrons of the City of Seneca should be grateful for the dedicated people who work hard to deliver water of the highest quality possible.

Thank you for your assistance with this project.

Sincerely,
