Superintendent, City of Lincoln Center
PO Box 126
Lincoln, KS 67455

Dear Jesse;

It was a pleasure seeing you again during my recent visit to Lincoln. Thank you for taking the time to meet with me, as I know you were in the middle of a very busy day. I do hope that your water main break was easily resolved.

I appreciate your input into identifying the main contaminant sources that your Source Water Protection Plan will address. I am continuing to progress on the development of your plan and look to have a draft completed by early April. I will schedule a meeting with you and your Source Water Protection Plan Committee at that time to review the draft and receive feedback.

Again, I appreciate your time and look forward to visiting with you again. Please let me know if I can assist you in any way, I can be reached via email at katie@krwa.net or by phone 785-210-6628.

Sincerely,

Katie Miller
