Dear Chris;

It was a pleasure meeting with you and the Hamilton County RWD 1 board on March 11. I sincerely appreciate your board taking the time to meet with me to discuss the development of a Source Water Protection Plan (SWP).

As we discussed in the meeting, I will be happy to assist your District in the development of your SWP Plan. At your earliest convenience, please fill out the Source Water Protection Planning Request for Assistance and mail it back to me. My physical address is 19253 Old Highway 18, Manhattan, KS 66502. I have enclosed a pre-addressed envelope for your use. The form will be filed with the Kansas Department of Health and Environment, notifying them of your desire to address source water protection for your District.

I will be scheduling a time with you in the future to complete a contaminant source inventory of your source water protection area. I look for this visit to be in mid to late summer.

Again, I appreciate your time and look forward to working with you in the future. As I stressed in the meeting, please do not hesitate to contact me with any issues or concerns you may have. I can be reached any time via email at katie@krwa.net or by phone 785-210-6628.

Sincerely,

Katie Miller
