Dear Duane;

It was a pleasure seeing you again during my recent visit to Syracuse. Thank you for taking the time to meet with KRWA and the group interested in developing a new rural water district in Hamilton County. I know that they appreciate your efforts in coordinating correspondence for the group.

I believe that good progress was made in the public meeting in Syracuse on May 24. I was pleased with the number of participants, and excited that KRWA could be involved in providing information to the group. I sincerely appreciate your presence in keeping the meeting on track and always moving in a forward direction. The groundwork is set for the interested parties to pursue more information and develop this project at the rate that they see fit.

As you continue to work with these individuals and help them to maintain momentum, please don't hesitate in letting me know how I can assist. I look forward to being part of this process and seeing this project take shape down the road.

Again, I appreciate your time and look forward to visiting with you again. Please let me know if I can assist you in any way, I can be reached via email at [katie@krwa.net](mailto:katie@krwa.net) or by phone 785-210-6628.

Sincerely,

Katie Miller
