Dear Rick;

We are pleased to provide the two Water Board Bibles to you complimentary of Kansas Rural Water Association. We have also included the March magazine. There is also a copy of a standard "model" set of bylaws and another document, a policy for termination of service due to non-payment. Many rural water districts have incorporated what should be "policies" into their bylaws; I'm enclosing the termination policy just as an example. Bylaws have to be amended by membership; a "policy" can be modified by the board.

KRWA has also added your name to the Association's mailing list. We presently have another magazine headed to the printer; you will receive future copies directly.

Please email me at krwa@krwa.net or call any time with any question or if you'd wish to discuss anything about the rural water district. I have enjoyed working with Veda and Henry over the years and respect very much the partnership that the Association has with nearly 300 RWDs and 450 cities across Kansas.

Sincerely,

Elmer Ronnebaum
General Manager
