Dear Kevin,

As you requested, I was able to find the smoke testing video of your system. It is with several others on a VHS tape.

I will transfer it to DVD and send you a couple of copies next week. I hope this helps with your system's I&I study and repairs.

Please call if you have any questions. KRWA appreciates the opportunity to provide assistance to your system and your support as members.

Sincerely,

Charlie Schwindamann
