July 7, 2010

City of Tescott
Mayor Charles Matthews
PO Box 53
Tescott, KS 67484

Dear Mayor Matthews;

It was a pleasure seeing you again during my recent visit to Tescott. Thank you for allowing me time on the agenda to visit with the City Council about the development of the Source Water Protection Plan for the City of Tescott.

As discussed in the meeting, I will move forward with developing the draft Source Water Protection Plan for Tescott. I appreciated having the steering committee members present and the input that I received regarding the plan. I would be interested in obtaining copies of the information regarding your wells and water tests that you offered to me. I will be back to Tescott next week, and I will call ahead to make arrangements with you to receive this information, if possible. Your assistance is greatly appreciated!

Regarding your question about example ordinances that have been used to defer the drilling of lawn irrigation wells; I will bring example ordinances and additional information next week when I return to Tescott. Please let me know if there are any other questions that arise or any other information that I can provide to you.

Again, I appreciate your time and look forward to visiting with you again. Please let me know if I can assist you in any way, I can be reached via email at katie@krwa.net or by phone 785-210-6628.

Sincerely,

Katie Miller
Source Water Protection Specialist

C: Joann Schwindt, City Clerk
