RE: Vested Right  
File Nos. LB 004 & LB 010  
Water Right  
File No. 26,586

Dear Mr. Kopp:

The water rights referenced above are owned by the City of Chetopa. During my review of their water rights, I found that the Water Rights Information System database records for two of the three referenced file numbers are in need of modification.

Because it is standard practice that municipal and industrial uses of water show the authorized quantity in millions of gallons per year, please have the database show 62.000 million gallons per year (m.g.y.) authorized under File No. LB 004, as it is shown on the Vested Right Order. If the Place of Use Comment Line for PUSE 1468 is large enough to allow it, please modify the comment for the additional place of use under File No. 26,586.

Enclosed is a completed worksheet to facilitate these corrections. Please have one of your staff review this document for accuracy and completeness. If your office has any questions, please let me know. You can reach me by telephone at 785/640-4701, by e-mail at [dhelmke@krwa.net](mailto:dhelmke@krwa.net) or by writing to 6847 SE 29th Street, Tecumseh, Kansas 66542-9571.
