Don't Miss It . . .
KRWA Conference "Meet & Greet"

Tuesday evening, 3/27

Join your friends (and make new friends) at the liveliest conference opening anywhere. With plenty of food and social, and a "Midway" inside Century II, the "Meet & Greet" is one big, down-home, happy event. Kansas’ oldest Rock N’ Roll band, King Midas & The Mufflers, will be playing for your listening and dancing enjoyment. Complete with more than 30 games, including large midway trailers, a casino, a photo booth, laser skeet shoot, and an O2 Bar—there’s something for everyone! Want your face drawn? See one of the caricaturists. Want to win prizes? Then take part in the games.

There’s more than $10,000 in prizes including ten $250 VISA gift cards drawn from admission tickets, and an array of items for home and entertainment. Prizes include a 50" flat screen, KitchenAid mixer, a hot tub for four, a sofa quilt, and many other appliances that winners can put to good use. Win at the games and then place your tickets for prizes that you select. The drawings begin at 9:45 p.m. Winners must be present. This year’s menu again has great barbecue, potato salad, baked beans, cole slaw, dessert and beverages. It’s one big party and there is nothing like it for a conference opener.

And back for their sixth appearance at the KRWA conference, clap your hands and tap your toes and take to the dance floor as King Midas & The Mufflers play great Rock n' Roll tunes.
