

# FUN & PHILOSOPHY

**C**hange will not come if we wait for some other person or some other time. We are the ones we've been waiting for. We are the change that we seek.

– *Barack Obama*

If you change the way you look at things, the things you look at change.

– *Wayne Dyer*

You must take personal responsibility. You cannot change the circumstances, the seasons, or the wind, but you can change yourself. That is something you have charge of.

– *Jim Rohn*

Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only love can do that.

– *Martin Luther King, Jr.*

Inner peace can be reached only when we practice forgiveness. Forgiveness is letting go of the past, and is therefore the means for correcting our misperceptions.

– *Gerald Jampolsky*

Graphic by Linda Windler

America was not built on fear. America was built on courage, on imagination and an unbeatable determination to do the job at hand.

– *Harry S Truman*

Patriotism is when love of your own people comes first; nationalism, when hate for people other than your own comes first.

– *Charles de Gaulle*

Patriotism consists not in waving the flag, but in striving that our country shall be righteous as well as strong.

– *James Bryce*

I am not afraid of an army of lions led by a sheep; I am afraid of an army of sheep led by a lion.

– *Alexander the Great*

There is no easy walk to freedom anywhere, and many of us will have to pass through the valley of the shadow of death again and again before we reach the mountaintop of our desires.

– *Nelson Mandela*

Liberty is not the power of doing what we like, but the right to do what we ought.

– *Lord Acton*

But what is liberty without wisdom, and without virtue? It is the greatest of all possible evils; for it is folly, vice, and madness, without tuition or restraint.

– *Edmund Burke*

The question of whether a computer can think is no more interesting than the question of whether a submarine can swim.

– *Edsger Dijkstra*

I am thankful the most important key in history was invented. It's not the key to your house, your car, your boat, your safety deposit box, your bike lock or your private community. It's the key to order, sanity, and peace of mind. The key is 'Delete.'

– *Elayne Boosler*

A people that values its privileges above its principles soon loses both.

– *Dwight D. Eisenhower*
