**T**wenty years from now you will be more disappointed by the things that you didn't do than by the ones you did do.  
– *Mark Twain*

Great minds discuss ideas; average minds discuss events; small minds discuss people.  
– *Eleanor Roosevelt*

A successful man is one who can lay a firm foundation with the bricks others have thrown at him.  
– *David Brinkley*

Challenges are what make life interesting and overcoming them is what makes life meaningful.  
– *Joshua J. Marine*

When you're thirsty and it seems that you could drink the entire ocean, that's faith; when you start to drink and finish only a glass or two, that's science.  
– *Anton Chekhov*

Be stupid, be dumb, be funny, if that's who you are. Don't try to be someone that society wants you to be; that's stupid. So be yourself.  
– *Christina Grimmie*

It is not materialism that is the chief curse of the world, as pastors teach, but idealism. Men get into trouble by taking their visions and hallucinations too seriously.  
– *H. L. Mencken*

Our greatest fear should not be of failure... but of succeeding at things in life that don't really matter.

A grateful heart is a beginning of greatness. It is an expression of humility. It is a foundation for the development of such virtues as prayer, faith, courage, contentment, happiness, love, and well-being.  
– *James E. Faust*

If there were no night, we would not appreciate the day, nor could we see the stars and the vastness of the heavens. We must partake of the bitter with the sweet. There is a divine purpose in the adversities we encounter every day. They prepare, they purge, they purify, and thus they bless.  
– *James E. Faust*
